

Autumn 2013

Kaleidoscope Choir

Broadway United Methodist Church

Dear Kaleidoscope families -

We are so excited to start another great year with Kaleidoscope Choir! We have some great new singers joining us (welcome Isabella, Jayla and Jack!) and our fabulous returning singers are doing a great job showing them the ropes (thanks, Liberty, Nina, Sydney, Augusta, Javarus, and Camille!)

Working Hard Already!

We are well underway with a couple of new songs this fall: "De Colores", a Spanish-language piece, and "I Can Do All Things", based on Philippians 4:13. We sing in worship on several dates this fall; see the calendar in the right sidebar of this newsletter.

We are also focusing this fall on adding more of what we call "musical elements" to our rehearsals. These include:

- Rhythmic and musical notation and recognition
- Moving our singing bodies in dance and yoga
- Finding our singing posture and breath support
- Listening to one another as we sing in unison and simple harmony

New Choir Covenant

At our summer retreat in August, we developed our first-ever Choir Covenant. The kids explored the idea of promises they make to each other, to their directors, and to God as they work together to make music and be worship leaders. We are so proud of the list they created!

We promise to:

Follow Directions

Be careful about how we use our bodies

Work together with our leaders and each other

Take care of our instruments and music

Be brave and have fun

Praise God

Upcoming Events
