

**“Living Abundantly: Through Sharing”  
Community Building Brainstorming Exercise**

Congregation suggested ways for wisely using the current resources available: Building, location, church leaders, and community. All who were present were encouraged to notate 3 items that were most interesting to them personally, then to go out to Fellowship Hall to make notes in specific areas they wish to get involved.

**13 people noted in their top 3**

- Building have a visual of our identity

**10 people noted in their top 3**
