Living Abundantly:

Be Alert

Welcome! We are glad that you have joined us for worship today.

Visitors: Please record your **complete address**, as well as your name, on the registers. We'd like to send you a greeting! If you would like to take a short tour of the church building and grounds, meet one of our greeters at the Welcome Center after the service.

Inclusive Language: Here at Broadway we have an inclusive language policy that recognizes and affirms the full range of diversity among persons engaged in the communication process. We are intentional that our imagery of God as well as our liturgy reflect that inclusiveness. *We use a variety of pronouns for God, just as our community uses a variety of pronouns as we grow and learn beyond the binary. In the spirit of hospitality, please ask others for their preferred pronoun.* The pastors are available to answer any questions you might have regarding the policy. The entire inclusive language policy can be found on the website. A further resource is Paul Smith's book, *Is it Okay to call God Mother?*.

Large print bulletins are available from the ushers.

Prayer/Stewardship Cards: As you worship with the Broadway community today, you are invited to share in a personal way. The orange card that is in the pew pockets is for you to express how you are or might be in service to God and community this week. It is also a place for you to share prayer concerns. Use as much or as little of the card as you like. The cards will be viewed **ONLY** by the pastors. By placing this card in the offering plate you are symbolically acknowledging your gifts of time and talents to the glory of God.

Song numbers with the designation "FS" refer to selections from *The Faith We Sing* books. All other selections are from the *United Methodist Hymnal*.

Giving: Your contributions are needed for everything from special programs to basic operating expenses — both are deserving of your support. Please be as generous as you can in the year ahead. To give online, visit us at broadwaychurchchicago.com/give or scan the QR code at right. Thank you for your commitment to God's purposes through our faith community!

Call to Worship

Where is the Jesus I know?

The Jesus who feeds 5,000 and finds lost sheep.

Where is the Jesus of Christmastide?

The tiny child who brings peace on earth.

Where is the Jesus of the cross?

Promising hope to the hopeless, and life to those who claim it.

That Jesus is here among us, encouraging us to be alert to the signs before us.

Opening Hymn

“Dear Lord, Lead Me Day by Day” # 411

Opening Prayer

Let us pray. **We rarely see ourselves as people of power and privilege. We think we are small, unimportant, and unimpressive. Yes, sometimes we are. And sometimes we have more power and privilege than we can know. Make us alert, Loving One, to the influence our actions and words have on others. Make us aware when we are blinded to the truth and deaf to the cries of those in need. Give us eyes to see and ears to hear what you have called us to this day. Amen.**

** Please rise, in body or in spirit.*

Bold type within liturgy indicates congregational response.

***Scripture Reading**

Luke 12:49-56

[Jesus said to the disciples:] "I've come to light a fire on the earth. How I wish the blaze were ignited already! There is a baptism I must still receive, and how great is my distress until it is accomplished! Do you think I'm here to bring peace on earth? I tell you, the opposite is true: I've come to bring division. From now on a household of five will be divided — three against two and two against three, father against son, son against father, mother against daughter, daughter against mother, mother-in-law against daughter-in-law, daughter-in-law against mother-in-law." Jesus said again to the crowds, "When you see a cloud rising in the west, you immediately say that rain is coming — and so it does. When the wind blows from the south, you say it's going to be hot — and so it is. You hypocrites! If you can interpret the portents of earth and sky, why can't you interpret the present time?"

Here ends the reading of the Gospel. This is the Good News of Jesus Christ.

Thanks be to God. Amen.

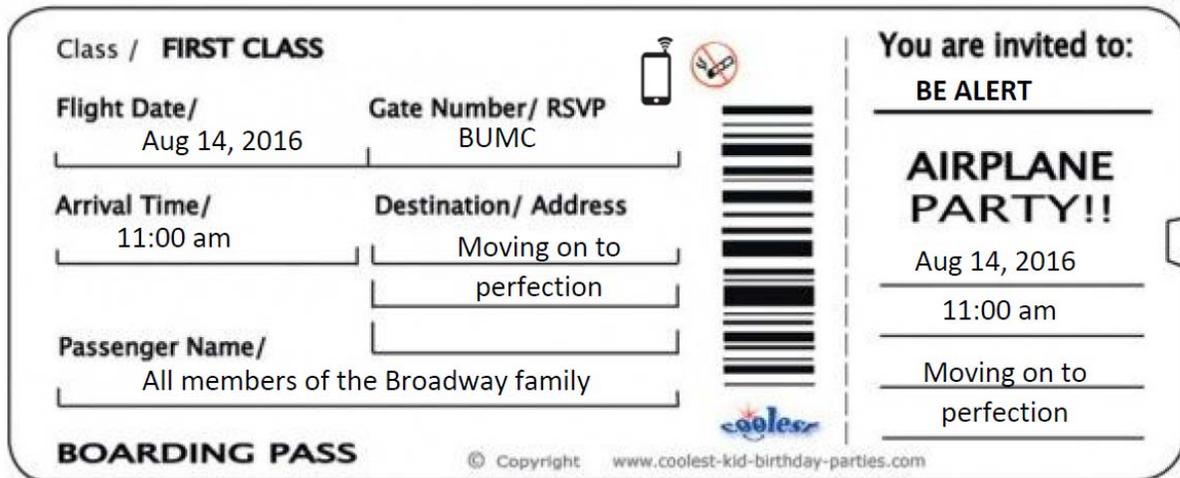

A Time for Young Christians

[During the Time for Young Christians, you are invited to use the Prayer Cards in the pew pockets to indicate prayer concerns you would like lifted up in prayer during this week. They can be placed in the offering plate or posted on the prayer wall. Children are invited to remain in the service following the Time for Young Christians.]

Come join Northside organizers and volunteers for a short presentation on our campaign for community control of the Chicago police and join in the discussion on building the movement for an all elected Civilian Police Accountability Council. We have had hundreds of people volunteering at our tables and events over the last month. After the recent police murder of Paul O'Neal, the campaign takes on a renewed urgency. This police impunity will only stop when the people have the power to determine how their communities are policed. It's time to get involved. Join us. **Light refreshments will be served.** Flyer on page 10. **Contact: Steve at 773-860-3260 or Paula at 312-342-0575. #CPACNOW**

The volunteer sign-up sheet is on the table outside the sanctuary. Lakeview Pantry distributes food, clothing and household goods at two sites in Lakeview 6 days a week, as well as providing home delivery and case management. COMING SOON

ONE Northside Moral Mondays | "It's Electric!" August 22, 2016, Noon - 1pm | Plaza at 10 S. Dearborn.

#MoralMondaysIL Will you join us on Monday, August 22, to call on our elected officials to close corporate tax loopholes? Here's why we're taking action: **The stopgap budget was not a real solution.** It included major cuts to human services, raised NO new revenue, and is \$8 billion out of balance. **Big corporations use tax-dodging schemes**, like hiding money in off shore tax havens, **to increase their profits, causing the rest of us to suffer** with crumbling infrastructure, shuttered human service agencies, schools without the resources to provide high quality education, and skyrocketing taxes on the poor and middle class. Enough is enough. ONE Northside and Fair Economy Illinois have the solution. **We have a vision for a budget that puts people and the planet first**, (<http://www.faireconomyillinois.org/people-and-planet-first-budget-for-illinois>) while calling on hedge-fund managers and corporate CEOs to pay their fair share of taxes so we have the resources we need to ensure all communities can thrive. Why is it electric? Our action will include a "flash mob" dance to the Electric Slide. Don't worry, you don't need to know the dance to participate. Join us in the spirit of joyous rebellion as we lay out a vision for what our state could be if elected officials were accountable to the people instead of corporate CEOs. Check out the facebook event here: <https://www.facebook.com/events/579764365537754/>
