SCRIPTURE READING: John 21:1-14 (CEB) [Rev. Darneather Murph-Heath, Elgin District Superintendent]

Later, Jesus himself appeared again to his disciples at the Sea of Tiberias. This is how it happened: Simon Peter, Thomas (called Didymus[a]), Nathanael from Cana in Galilee, Zebedee's sons, and two other disciples were together. Simon Peter told them, "I'm going

fishing." They said, "We'll go with you." They set out in a boat, but throughout the night they caught nothing. Early in the morning, Jesus stood on the shore, but the disciples didn't realize it was Jesus. Jesus called to them, "Children, have you caught anything to eat?" They answered him, "No." He said, "Cast your net on the right side of the boat and you will find some." So they did, and there were so many fish that they couldn't haul in the net. Then the disciple whom Jesus loved said to Peter, "It's the Lord!" When Simon Peter heard it was the Lord, he wrapped his coat around himself (for he was naked) and jumped into the water. The other disciples followed in the boat, dragging the net full of fish, for they weren't far from shore, only about one hundred yards. When they landed, they saw a fire there, with fish on it, and some bread. Jesus said to them, "Bring some of the fish that you've just caught." Simon Peter got up and pulled the net to shore. It was full of large fish, one hundred fifty-three of them. Yet the net hadn't torn, even with so many fish. Jesus said to them, "Come and have breakfast." None of the disciples could bring themselves to ask him, "Who are you?" They knew it was the Lord. Jesus came, took the bread, and gave it to them. He did the same with the fish. This was now the third time Jesus appeared to his disciples after he was raised from the dead.

This is the Word of God for all of God's people. **Thanks be to God.**

## April Mission Minute: [Meals on Wheels \(Chicago\)](#)

Meals on Wheels (MOW) Chicago's partnership with the City of Chicago began in 1987. Originally incorporated as the Chicago Fund on Aging and Disability, MOW has collaborated with the City to create a unique blend of public and private philanthropy focused on addressing essential services to the homebound. MOW expanded its program over the last 33 years to support over 10,000 homebound individuals with 3.2 million home delivered meals annually, with the support of service provider, Open Kitchens. The expansion of MOW's home delivery program is a testament to its continued efforts to adapt to our ever-changing society and aging population. Over the past year,

this notion has stayed at the forefront of MOW's mind as it widened the safety net for homebound individuals while Chicago battles the threat of COVID-19. MOW's client population increased by 67% to support those newly affected by food insecurity throughout this unprecedented crisis. MOW looks forward to continuing to act as a pillar of stability for our community as we endure the ramifications of this pandemic. Please visit Broadway's [donation page](#) to read more about our Mission Minutes and how to give.

## Chicago Youth Mutual Aid

The Chicago Youth Mutual Aid, best known as CYMA, is an effort born from the collaboration of five Black and Brown grassroots led organizations in Chicago serving youth and their families: [Assata's Daughters](#), [Chicago Freedom School](#), [Circles and Cyphers](#), [Street Youth Rise Up](#) and [Youth Empowerment Performance Project](#). Even though this effort was created as a response of COVID-19, these organizations are invested in continuing this project in the long term. Through this [Master List of Needs](#) you will be able to support the youth participants and their families of the organizations listed above. This list also includes some resources and needs for the organization itself. Please refer to [this page](#) for directions on how to make donation. Thank you for practicing your support and care for the community. We are deeply grateful. ~ Bonsai Bermúdez, Executive and Artistic Director, Youth Empowerment Performance Project (YEPP).
