LOOKING AHEAD

Hello ONE Northside, It's a new year, and many of us are hoping this one is better than the last. How about ending homelessness in Chicago in 2022? Let's pass **Bring Chicago Home!** What is Bring Chicago Home? Bring Chicago Home (BCH) is a city-level campaign to make sure Chicago invests \$100+ million in affordable housing every single year. We want to do this by raising the Real Estate Transfer Tax (RETT) rate on properties that are worth more than \$1 million. This is a one-time tax paid when a property is sold, and only 4% of property sales would be affected. If we spent all that money on permanent supportive housing and SRO preservation, we could house 20,000 families in the next 10 years! We need 15 more co-sponsors in City Council to pass the resolution to put BCH on the ballot, a necessary part of

the process to change the RETT. How can you support? 1. You can contact your Alderperson and ask them to support BCH! [Take 2 minutes to email them here](#). 2. You can join us for a fun, interactive workshop on Bring Chicago Home to learn more about the campaign! Bring Chicago Home Workshop; Wednesday, January 19th from 6-7:15pm on Zoom. [REGISTER HERE!](#) Stay tuned for more opportunities, including phone banking and additional workshops! ~ ONE Northside Questions? Contact [Anna Gaebler](#) at (708) 638-0589.

The events of the last year have affected us all differently and as we begin to see a light at the end of the tunnel, many are still struggling. The **Community Food Pantry** outside BUMC is there for anyone in need but it's often EMPTY! We invite all who are able to pick up a few items next time you're at the grocery store and drop them off in our Community Food Pantry! "We make a living by what we get, but we make a life by what we give." ~ Winston Churchill **Suggested items:** canned meat or other protein items (tuna, salmon, chicken), crackers, peanut butter, canned soups and stews, canned fruits and vegetables, canned beans, pasta, rice, olive oil or Canola oil, powdered milk, spices (salt, pepper, garlic powder, onion salt, oregano, etc.), granola bars, applesauce, nuts, instant mashed potatoes. **Items to Skip:** items that have to be refrigerated, items with glass packaging, items that need special equipment to open (pop-top cans are the best!), items that require too many extra ingredients, items that are expired, items that are homemade or have already been opened.

JANUARY MISSION MINUTE: REFUGEEONE

[RefugeeOne](#) creates opportunity for refugees fleeing war, terror, and persecution to build new lives of safety, dignity, and self-reliance. Every year, RefugeeOne serves more than 2,500 refugees and immigrants of all ages, ethnic groups, faiths, and backgrounds. Having fled violence, persecution, and war, vulnerable refugees from around the world come to the U.S. to rebuild their lives. RefugeeOne's primary focus is to assist these resilient individuals in becoming an independent, self-supporting member of their new community. As the largest resettlement agency in Chicago, RefugeeOne has welcomed more than 18,000 refugees through the U.S. Refugee Admissions Program since 1982. RefugeeOne walks alongside refugees from the moment they land at O'Hare International Airport—welcoming them to Chicago and providing furnished apartments, English classes, job search support, mental health care, youth programming, and mentors to help them adjust to life in the U.S. Resettlement is a long and often difficult process. With your support, RefugeeOne not only equips refugees with the skills needed to survive, but provides a full range of coordinated services that empower refugees to build the foundation for a flourishing life here in the United States.
